

# Safety Data Sheet

ABC Anti-Bacterial Wipes

## 1. Product & Company Information

|              |  |
|--------------|--|
| Product Name | ABC Wipes  |
| Product Type | Preparation  |
| Supplier     | HealthClub Partners  |
| Address      | Unit 202 Belgravia Workshops<br>159-163 Marlborough Road<br>London N19 4NF |
| Phone Number | 020 7281 6716  |
| Web Site     | <a href="http://www.healthclubpartners.com">www.healthclubpartners.com</a> |

## 2. Composition/Information on the Components

A wet non woven wipe containing the following ingredients:

| Ingredient                             | CAS No     | Health  | Risk  |
|--|------------|---------|-------|
|  |            | (Class) | R No  |
| Propan-2-ol                            | 67-63-0    | F       | 11    |
| Alkyl Dimethyl Benzyl Amonium Chloride | 68391-01-5 | C       | 22-34 |
| Polymeric Biguanize                    |            |         |       |
| Surfactant and Preservative            | 27083-27-8 | xi      | 38-43 |

## 3. Hazardous Information

|            |   |
|------------|---|
| Inhalation | Prolonged inhalation of impregnant in packed product should be avoided. May cause headache.   |
| Ingestion  | <b>Do Not Swallow. Do not</b> apply directly to the lips.   |
| Skin       | Atrophic or hypersensitive reasons may experience a reaction.   |
| Eyes       | Causes irritation, redness and tearing. Wash eyes with water and continue for at least 15 minutes. If symptoms persist seek medical advice. |

## 4. First Aid Measures

Storage

Storage area should be dry, well ventilated, out of direct Sunlight. Store away from sources of heat or ignition.

## 8. Exposure Control/Personal Protection

Occupational Exposure Standards

Propan-2-ol UK EH40: OES 400ppm (980mg/m<sup>3</sup>) 8h TWA. UKEH40: OES 500ppm (1225mg/m<sup>3</sup>) 10 min TWA

Respiratory Protection

Not normally required.

## 9. Physical And Chemical Properties

Physical State

Liquid

Colour

Blue

Odour

Characteristic

## 10. Stability And Reactivity

|                                  |                                 |
|----------------------------------|---------------------------------|
| Stability                        | Stable under normal conditions. |
| Conditions to Avoid              | Extremes of temperature.        |
| Materials to Avoid               | None under normal conditions.   |
| Hazardous Decomposition Products | None known.                     |

## 11. Toxicological Information

|                |  |
|----------------|--|
| Acute Toxicity | The constituents of this preparation are classified<br>As non toxic. |
|----------------|--|

## 12. Ecological Information

|                           |   |
|---------------------------|---|
| Persistence/Degradability | This product is readily biodegradable.    |
| Bioaccumulation           | Product is not expected to bioaccumulate. |

## 13. Disposal Information

|                    |   |
|--------------------|---|
| Product Disposal   | Dispose of in accordance with all applicable local<br>and national regulations.                                 |
| Container Disposal | Where possible, containers should be rinsed with<br>clear water and disposed of in line with local regulations. |

## 14. Transport Information

|           |                              |
|-----------|------------------------------|
| UN Number | Non hazardous for transport. |
|-----------|------------------------------|

## 15. Regulatory Information

### Labelling Information

| Health         | Safety   | Environment |
|----------------|--|-------------|
| Not classified | N/A  | N/A         |
| R phrases      | Prolonged contact with the concentrate may cause defatting of the skin.                        |             |
| S phrases      | In cases of contact with eyes, rinse immediately with plenty of Water and seek medical advice. |             |

## 16. Other Information

|                                |                             |
|--------------------------------|-----------------------------|
| Safety Data Sheet first issued | 26 <sup>th</sup> April 2001 |
| Safety Data Revised            | 22 <sup>nd</sup> July 2002  |

## 17. National Legislation

|                |   |
|----------------|---|
| UK Legislation | SI 1993/1746: Chemicals (Hazard Information & Packaging) Regulations 1993. SI 1988/1657: The control of substances hazardous to health regulations. |
|----------------|---|
